Reduce Costs

Less chemistry, less rework, and less downtime help you cut costs by 35% or more.

Wastewater Treatment

We've saved a manufacturer \$250,000 by reducing sludge by 37%. Got a wastewater challenge? We'll be tank side to help.

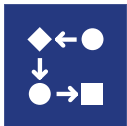

Reduce Chemical Consumption

Stop dumping cleaner. Reclaim up to 98% of it.

Chemistry You Can Trust

Over 3556 industrial, high purity, and specialty chemical SKUs for manufacturing. Lot controlled, FIFO and specialized storage for 99.92% product quality.

Reduce Complexity

With products that allow you to clean, deoxidize and brighten in 1-step.

Fortune 100 OEMs to Boutique Metal Finishers

Call on us for chemistry - from airplanes to automobiles, car parts to connectors and fasteners to faucets.

Surface Cleaning Chemistry

We're the only US distributor who provides an unbiased recommendation for cleaning processes - aqueous or solvent.

Top Place to Work in CT

For 7 years (and counting) we have received this distinction. Partner with us to find out why our people are so great!
